## ORIENTAL MISSIONS DIRECTORY

1926

This second edition of the Oriental Missions Directory includes practically all Sunday schools, missions, churches and other religious institutions for Chinese, Japanese, Koreans, Hindus and Filipinos in the United States (including Hawaii), Canada, Mexico and Cuba.

It was impracticable to include more than addresses and denominational connection. A list of general superintendents under the various boards is also given.

It is hoped that the Directory may help to better acquaintance between the workers among Orientals, and to a greater co-operation and unity.

GEORGE WARREN HINMAN,  
*For Oriental Missions Council.*
